

I am one of the Executors of the Estate of Maurice Sendak and a member of the Board of Directors of the Maurice Sendak Foundation. We learned today from the newspaper of your bill. This email is to let you know that your bill has the full support, approval and endorsement of both the Estate and the Foundation. We are gratified by your most thoughtful gesture and are certain that Maurice Sendak would be pleased and proud that his home town and home state for over 40 years would recognize him in this way.

Most sincerely,

*Donald A. Hamburg*
